Incheon Railroad Tour

National Railway Line 1

Incheon Line 1

Incheon station

21mins.

Bupyeong station

11mins.

Incheon city hall station

10mins.

Incheon Jayu Park

Jayu Park is Korea's first modern park built in 1888 for the first time in five years since the opening of Incheon Port. A panoramic view of Incheon Port and Wolmido Island from the top of the park is also an indispensable point.

Wolmi Culture Street

The wide sea in front of you attracts tourists. It is a city with a theme that harmonizes culture, art, performances, water screen music fountains, etc. on the youthful streets that represent Incheon.

Bupyeong Underground Shopping Mall

The shopping center "Bupyeong Modu Mall" in Bupyeong-gu, Incheon is located in the basement of Bupyeong Station, and is also called the underground shopping mall of Bupyeong Station. Bupyeong Modu Mall has 1408 stores as of 2016.

Guwol-dong Rodeo Street

"Incheon Rodeo Street" is adjacent to the bus terminal and subway station and has excellent accessibility. It is a place centered on various convenience facilities such as restaurants, department stores, and clothing stores, fashion, and consumer culture.

Open Port Area

Incheon Open Port is the first ports to accept foreign artifacts. Although it has the pain of modern history, it is now positioned as an essential course for tourists who have been newly renovated in various forms such as museums and exhibition halls.

Wolmido Park(Korea Traditional Park/Wolmi Cultural Center)

It is a park that reproduces the garden style of the Joseon Dynasty. It is loved as a park with beautiful gardens and buildings. You can also experience various other experience programs.

Pyeongnidan-gil

If you enter along the alley of Bupyeong Culture Street, which is located between Bupyeong Station and Bupyeong Market Station, you will face the "Pyeongnidangil", which has its own unique cafes and shops.

Square One(Shopping Mall)

Located in 926 Dongchun-dong, Yeonsu-gu, Incheon-si, it is in the center of the Korean wave(Hallyu), which leads the world's lifestyle. There are about 170 brands in the store, and you can fully enjoy food and shopping culture.

Dongchun station

Incheon Art Platform

The area of Haean-dong, Jung-gu, Incheon is a well-preserved area of buildings built in the 1930s and 1940s, and is recognized for its architectural value. It is used culturally by taking advantage of the historical and spatial characteristics of the city.

Central park station

Techno Park station

6mins.

China Town

Chinatown, which started in 1883, is a typical tourist destination in Incheon, which is visited by many visitors every year. When Incheon Port opened, Overseas Chinese entered and exited the open port, forming the appearance of Chinatown.

Songdo Central Park

Songdo Central Park is a huge park in the city center with a total area of 370,750 m2. It is located in the middle of the advanced business district and the residential complex in the international business complex, which is the core area of Songdo International City.

G-Tower Observatory(IFEZ PR Center)

It is one of the representative landmarks of Songdo, where the secretariats of various international organizations such as the United Nations International Organization Green Climate Fund (GCF) and UN organizations have moved in. You can see at a glance the appearance of Songdo International City, which is developing day by day.

Songdo Shopping Street & Culture Complex

Hyundai Premium Outlet : It boasts about 300 brands and a business area of 15,000 pyeong. It is connected to the subway (Incheon Subway Line 1 Techno Park Station) and has excellent accessibility.

Triple Street : The name was given to mean three ways: underground, above ground, and rooftop. It is a complex cultural space where new festivals are held 365 days a year. It is a space where special attractions, food and fun are in harmony.

Songwol-dong Donghwa(Fairy Tale) Village

Perfectly transformed the entire village into a fairy tale village to infuse new vitality. Decorated with different themed roads, the place offers a variety of murals, buildings and even themed gourmet food.

Incheon Urban History Museum

With the theme of Incheon's urban development process, it is a space where you can meet the urban history and transition process of Incheon, which has newly departed as a modern city since the opening of the port in 1883. You can also participate in exhibitions dealing with culture and history and various educational programs.

Tri-bowl

The name is a composite word of "triple" which means the sky(airport), the sea (harbor), and the ground(wide area transportation network) and "bowl" which means the vessel. It has the meaning of symbolizing the Incheon Free Economic Zone, which consists of Songdo, Cheongna, and Yeongjong.

Incheon city tour bus

If you have difficulty planning your trip to Incheon, take the City Tour Bus. You can enjoy Incheon sightseeing spots by course on the double decker bus. There are two types of tour buses, the circulation type and the theme type. The circulation type travels around the sea and open ports of Incheon, and the theme type mainly consists of the history and culture of Incheon and Ganghwado.

Seoul Tour

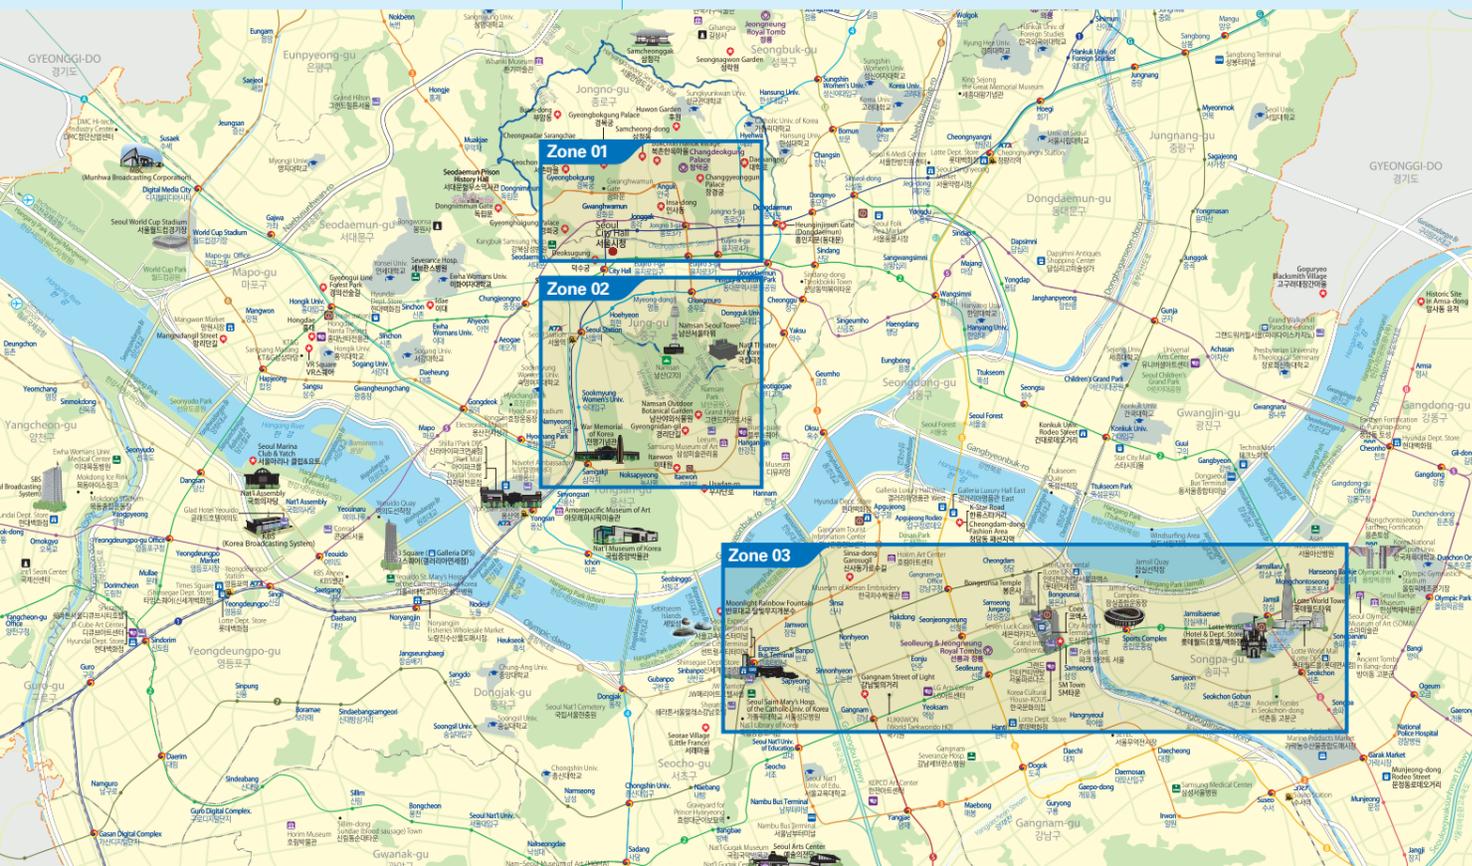

- 36 Seoul, the capital of the Republic of Korea
- 37 Zone 1 : Gwanghwamun · Cheonggyecheon
- 38 Zone 2 : Myeong-dong · Namsan Mountain
- 39 Zone 3 : Gangnam · Jamsil

You can experience a variety of trips full of history and culture in Seoul, the center of the Republic of Korea.

Seoul Metropolitan City, the capital of the Republic of Korea

You can experience a variety of trips full of history and culture in Seoul, the center of the Republic of Korea.

01
Zone

Gwanghwamun · Cheonggyecheon

Seoul where history and tradition are alive

① Gyeongbokgung

The 500-year history of the Joseon Dynasty has just begun at the first palace in the Joseon Dynasty. The largest and most magnificent of the five remaining palaces in Seoul, you can get a glimpse of the magnificent royal culture, life and architectural culture of the time.

② Gwanghwamun Square

In front of the main gate of Gyeongbokgung, a large square with a length of 557m and a width of 34m, there are statues of King Sejong and General Yi Sun-sin, who are the most respected Koreans.

③ Cheonggyecheon

It is a 10.84 km long river that runs from Gwanghwamun to Dongdaemun, and you can enjoy the night view of the Cheonggyecheon River shining under the lights, including 22 bridges on the promenade.

02
Zone

Myeong-dong·Namsan Mountain

A place where the past and present of Seoul meet together

① Myeong-dong street

You can meet famous cosmetics, clothing, shoe brands and accessory shops in one place, including department stores in a typical shopping town in Seoul.

② Namsan Mountain Seoul Tower

It is a famous spot in Namsan Mountain where you can see Seoul at a glance at an altitude of 480m. You can see the night view of Seoul from the observation deck on the 4th / 5th floor and the 360-degree revolving restaurant located on the 7th floor.

③ Namsangol Hanok Village

They made pavilion and a pond in a well-preserved Hanok(Korean traditional house), and kept the appearance of the village in the Joseon era. After looking around the Korean housing culture, you can participate in the traditional culture experience.

④ Namdaemun Market

It is the largest comprehensive market in Korea. It sells a variety of items such as clothing, daily necessities, and food on the seating boards lined up along the alleys.

03
Zone

Gangnam·Jamsil

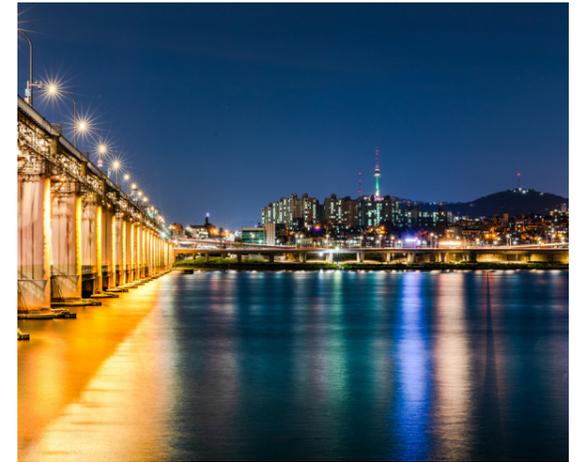

Everything about the latest fashion in Seoul

① Lotte World Tower

The 123-story building is the tallest in the country and the fifth tallest in the world. There is a hotel, department store, movie theater, and the largest aquarium in the center of Seoul. There is an observatory 500m above the sky, and you can enjoy a beautiful view of Seoul.

② Banpo Hangang River Park

There are many attractions such as the Hangang River's famous moonlit rainbow fountain, a submersible bridge, and a moonlight plaza. You can enjoy water sports such as water skiing and motor boats around the artificial Seorae island.

③ COEX

It is a cultural and business platform with cultural facilities such as luxury hotels, casinos, the largest underground shopping mall in Asia, museums, and aquariums.

④ Sinsa-dong Garosu-gil

You can meet the unique costumes and accessories of up-and-coming designers on the two-lane ginkgo road that connects Sinsa-dong to Apgujeong-dong.

⑤ Bongeunsa Temple

It was the largest temple in Seoul during the Joseon Dynasty, and it still retains its magnificent appearance. It is a temple where you can experience Buddhist culture in the city center.
